

ARBONNE ESSENTIALS[®] DIGESTION PLUS

For Daily Health

Tummy time. Every day add a single-serving stick pack of this mild powder to any cold or room temperature liquid. Prebiotics, probiotics and enzymes help support optimal digestive health and microfloral balance.[†] #2063 

FEATURES

- Daily dietary supplement featuring prebiotics, probiotics (*Bacillus coagulans*) and enzymes to support optimal digestive health[†]
- Delivered in a readily absorbed powder form and offered in convenient stick packs
- Can be mixed with water, juice, or blended into your Arbonne Protein Shake

KEY INGREDIENTS & BENEFITS

- Fructooligosaccharides, prebiotics botanically derived from chicory root, support a healthy gastrointestinal tract while creating an ideal environment for probiotics to colonize[†]
- Probiotics help support the intestinal microflora in the GI tract[†]
- Enzymes support the breakdown of carbs, fats, protein, fiber, and lactose to help support nutrient uptake from foods[†]
- Peppermint extract supports healthy digestion to help minimize gas and bloating[†]

HOW TO USE

Add 1 stick pack to at least 4 oz. of cold/room temperature liquid and stir until mixed. Take once daily with a meal.

TIP

Avoid adding to hot liquids as high temperatures can be detrimental to the probiotics in the formula.
